

Teen Reading Program 2017 Instructions

1.) Hop onto a computer & head to the following internet link:

wandooreader.com/portagelibrary/portage-teen-readers

- You will need to create an account with Wandoo Reader to log your reading. This requires an e-mail. If you forget your password or username, you can reset it through the same link!
- You will choose a username and password, and enter your age. Though not required, it is suggested that you also enter a good contact phone # so we can reach you if you are lucky enough to be our random prize drawing winner!

2.) **START READING**, and log all of your reading time into your Wandoo Reader account!

- Every 5 hours (or 300 minutes) read completes a "Challenge" on your account, and unlocks a corresponding "Award" (which needs to be redeemed by a staff member).
- Each "Award" is worth one ticket that you can use towards our random prize drawing at the end of the summer!

3.) To claim your tickets, head to the main desk in the library (across from the teen section) and ask a staff member to redeem a reward for you for the Teen Reading Program.

- Give them your last name. They will look you up, redeem your "Award" online, and give you a yellow star ticket!

4.) Write your FULL NAME, AGE, and TELEPHONE NUMBER on the back of the yellow ticket. Then put it in the prize jar of your choice! And **KEEP READING!**

- You are able to complete up to a maximum of 10 challenges, or 50 hours, and therefore earn a grand total of 10 tickets. The more you read, the better your chances of winning a prize! You can claim your tickets one at a time or all at once!
- On the last day of our Summer Reading Program (July 27th) Chris will do a random drawing and you'll be able to see if you've won!
